Advisors are screened at the time they are initially enrolled into our service. Advisor information, received at the time of registration, may change or expire over time. It is the Advisors' responsibility to update their profile data for additions, changes, and deletions. While FinanceFriends attempts to maintain accurate and up-to-date information, and may record changes when notified, FinanceFriends screens Advisors solely at the time an Advisor becomes a member of the FinanceFriends network the first time. FinanceFriends does not, and cannot, exhaustively monitor each Advisor, and FinanceFriends cannot guarantee that Advisor information is accurate and up-to-date. Furthermore, you acknowledge and understand that an Advisor may become part of our network and thereafter provide unethical, fraudulent, or misleading advice.
